

Personal Wallet Inventory

Having your wallet lost or stolen can be devastating, but you can make the situation less worrisome by keeping a record of important numbers. This will save you valuable time in canceling and replacing your documents.

Instructions: Keep a record of the contents of your wallet or purse by filling out this sheet and storing it in a safe location. (Not in your wallet or purse!)

What to do if your wallet is lost or stolen:

- File a report with the police.
- Contact your banking and credit card companies to cancel credit, debit or ATM cards.
- Call the major credit bureaus and ask to have a fraud alert put on your account.
 - Equifax 800-525-6285**
 - Experian 888-397-3742**
 - TransUnion 800-680-7289**
- Check your credit report regularly and report any suspicious activity.
